FIRDAUS PRASETYA

0895332251043 | firdausprasetya18@gmail.com | https://prstyz.github.io/Firdaus-Prasetya-Portofolio-New/

Tangerang, Indonesia

I am an Information Systems fresh graduate with a strong passion for technology and digital systems. I have a strong interest in designing, analyzing, and evaluating digital products, with a focus on usability, system behavior, and user experience. I am experienced in UI/UX prototyping, visual design tools, and basic web development, and I am accustomed to analyzing system issues and learning new technologies. I am motivated to grow as a technology professional and contribute to building effective and user-centered digital solutions.

My Portofolio : https://prstyz.github.io/Firdaus-Prasetya-Portofolio-New/
