FIRDAUS PRASETYA

0895332251043 | firdausprasetya18@gmail.com | https://www.tiktok.com/@cimingtech

Tangerang, Indonesia

Information Systems graduate with a strong lifelong passion for technology and extensive hands-on experience in computer hardware, operating systems, and basic networking. Started exploring and repairing electronic devices from an early age, including laptops, smartphones, and peripheral devices, and has assembled and troubleshot numerous PCs for personal and peer use. Experienced in OS installation, system recovery, and building a personal home NAS server, with practical knowledge of router configuration and network fundamentals. Highly motivated, self-taught problem solver eager to grow as an IT Support / IT Engineer.
